JUDGMENT

Prayer in the W.P. is for direction to the respondents to repossess unutilised industrial plots and allot it to those who propose to start industry. Government Pleader submitted that Government is willing to agree to this proposition and only blocking aspect is stay granted by this court. In the circumstances, W.P. is disposed of directing the respondents to verify the allotments and utilisation and if any land remains unutilised, to take steps to resume it at the earliest and allot to bonafide applicants who want to start or expand industries. If any interim orders stand in the way of taking over any unutilised land, it is for the Government to move this court for vacating such stay orders.
